## Spring 2018 Newsletter

---

### Ontario Goes Green for National Schizophrenia and Psychosis Awareness Day

On May 24, 2018, SSO celebrated National Schizophrenia and Psychosis Awareness Day. On this day, people to raised awareness on social media and learned about schizophrenia and psychosis to reduce stigma and discrimination. [Read More](#)

### Election Toolkit

Use SSO's election toolkit for tips on how to engage your local candidates to ensure that every Ontarian has access to timely, quality health care. [Read More](#)

## Sudbury Volunteers Celebrate 20 Years

SSO's volunteer group in Sudbury has been with the organization since the very beginning and this April, they celebrated the 20th anniversary of their annual fundraising dinner. [Read More](#)

## SSO Advocates Queen's Park

On April 17, SSO held our second-annual advocacy day at Queen's Park to raise awareness and call attention to critical issues affecting people living with schizophrenia and psychosis. [Read More](#)

## Mental Health Week 2018

Mental Health Week was from May 7-13, 2018. SSO celebrated this year by encouraging you to take action. [Read More](#)

## Folds in the brain found to be a predictor for psychosis

Researchers at Western University have found that studying the folds in the brain of high-risk patients can help predict who will go on to develop conditions such as schizophrenia. [Read More](#)

## Upcoming Events

### Hole Out for Hope

The 6th annual Hole Out for Hope golf tournament takes place this year on June 21, 2018 at Emerald Hills Golf Club. [Read More](#)

### Peace of Minds Walk 2018

The Peace of Minds Walk is happening in communities across Ontario this Fall. [Read More](#)
