

SSO Brings CBT Training for Schizophrenia to Canada

This year SSO brought a CBT training program to Canada for the first time, making more support options available to those who need it most. [Read More.](#)

2016 Peace of Minds Walk

Communities across Ontario came together this May and June to walk in support of individuals, friends, neighbours and family members living with schizophrenia and psychosis while raising funds for SSO. [Read More.](#)

SSO's Segregation Review Submission

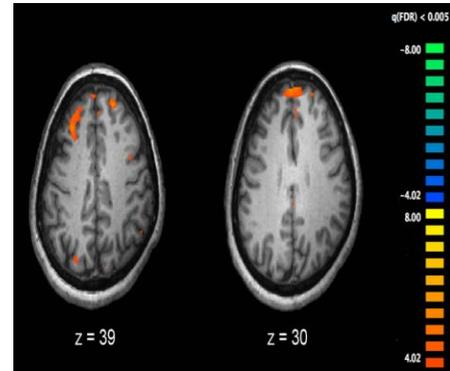

The provincial government is currently conducting a review of the use of segregation in its adult correctional facilities. The review is part of a larger effort to improve staff and inmate safety; enhance rehabilitation and reintegration programs; and supports for

inmates with mental illness. [Read More.](#)

New Schizophrenia Medication Taken Four Times a Year

A newly approved drug for people living with schizophrenia that's injected just four times a year should help greatly reduce the times they go off their medications and relapse into a state of delusions, hallucinations and psychosis, a local psychiatrist says. [Read More.](#)

Hole Out for Hope

The 4th Annual Hole Out for Hope Golf Tournament took place on June 23, 2016 at the Emerald Hills Golf Club in Stouffville, ON. [Read More.](#)

Jammin' For Jesse Supports SSO

The third annual Jammin for Jesse took place on May 14, 2016. A \$10,000 cheque was presented to SSO by Barb and Garth Owens. [Read More.](#)
